

Enoch

*"Enoch walked with God; then he was no more, because God took him away."
Genesis 5:24*

Could anything be more perfect than to walk with God? In His presence, the worries and cares of this life would shrink into nothingness. What did Enoch do to form this special relationship with God? What lengths would we go to walk with God? The great news is that even before we take our first step towards God he has already taken countless steps towards us. For God wants to walk with us even more than we want to walk with Him. Nothing could be more perfect than to take an eternity long walk in His presence.
