Question: Does it snow in the land of Israel?

Although the climate of Israel is generally moderate, at least in comparison to many other places on earth, snowfall occasionally occurs during winter, particularly at the higher elevations. Snow has therefore been known to the people of the land of Israel during all of Bible History. It is mentioned throughout the Scriptures, even by God Himself, both literally and figuratively.

Some Bible verses mentioning snow:

"Like the cold of snow in the time of harvest is a faithful messenger to those who send him, he refreshes the spirit of his masters." (Proverbs 25:13 RSV)

"Like snow in summer or rain in harvest, so honor is not fitting for a fool." (Proverbs 26:1 RSV)
