Brainercise Riddle

Only one color, but not one size,
Stuck at the bottom, yet easily flies.
Present in sun, but not in rain,
Doing no harm, and feeling no pain. What am I?

Who Am I?

Fun Bible Facts **What are Frankincense and Myrrh?**

Frankincense and myrrh are both resins -- dried tree sap.

The way that people collect the sap is similar to the way people collect rubber-tree sap or pine-tree sap. Cutting the tree's bark causes the sap to ooze out of the cut. The sap used to create both frankincense and myrrh comes slowly and is allowed to dry on the tree. The hardened sap is collected and used as frankincense and myrrh.

Both in the time of the wise men and today, frankincense and myrrh are commonly used to create incense. You mix frankincense with things like spices, seeds and roots to create different aromas.

So valuable has it been at times in ancient history that it has been equal in weight value to gold.
