

Bible Lookup - Math (Addition)

Start

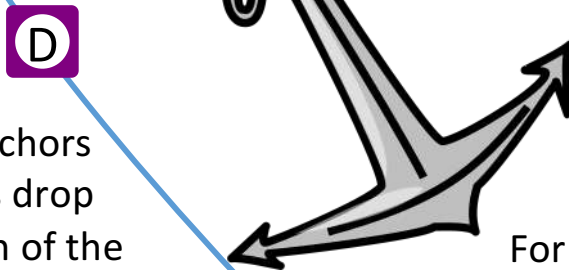

A Number of sons Job had (Job 1:2)

B Jesus had compassion on the people because they had been with him _____ days with nothing to eat. (Mark 8:2)

C How many sparrows are sold for two pennies? (Luke 12:6)

D How many anchors did the sailors drop from the stern of the boat? (Acts 27:29)

E For how many years were the Israelites supposed to sow their fields and harvest the crops? (Exodus 23:10)

Directions
Look up the numbers associated with each of the passages and fill in the blanks. Add the numbers to get the total.

A + B + C + D + E
